The Allergy Answer

Michelle Lieberman, licensed acupuncturist, soothes seasonal allergy sufferers with a natural allergy elimination technique, NAET.

EAST SETAUKET (April 15, 2011)- Michelle Lieberman, of Physical Therapy & Beyond, treats hopeful patients with NAET in order to seize their allergy woes.

Michelle is a Licensed Acupuncturist who specializes in NAET. Curing her own allergy problems with this technique is how her passion grew for this. Fast forward six years, and now Michelle is helping many thankful patients who now can survive their once painful seasonal allergies.

What is NAET you might ask? This is a non-invasive allergy-relief treatment that can help you to say "goodbye" to tormenting allergy symptoms, which can be from food, chemicals, the environment, animals or other allergens.

If you want to live Allergy-Free then Michelle is the answer to all of your problems. If you have any questions about acupuncture or NAET feel free to email Michelle with any of your concerns at EnerQi2@aol.com. Come in for a free consultation at either of the Physical Therapy & Beyond locations, in East Setauket or Smithtown.
